

MEDIA ADVISORY

January 23, 2017

**Exclusive Media Preview of *Star Trek: The Starfleet Academy Experience*
February 3, 2017 from 3:30pm to 5:30pm at TELUS Spark**

RSVP required to Lisa Rollins at 403.651.4043 or lisa.rollins@sparkscience.ca.

The travelling exhibit will be open to the public from February 4 to June 4, 2017.

Please join us for an exclusive media tour and special *Star Trek* celebrity experience.

(January 23, 2017 - Calgary, AB) Discover what it's like to be a Starfleet Academy cadet recruit. "Career Day" at the *Academy* will test your knowledge and skills to discover what your ranking might be as part of the crew of a starship. Will you be a Medical, Engineering or Science Officer? How about a Commander?

As you progress through the training program, your results will be tracked with an individual wristband in order to determine your Starfleet career recommendation.

There's something for everyone at *Star Trek: The Starfleet Academy Experience*. For more information, please visit <http://sparkscience.ca/experience-telus-spark/events/startrek/>.
